

Patrick Hyde

Patrick Hyde has been a Licensed Fiduciary since 2017. Prior to obtaining his license, he obtained a Certified Senior Advisor designation and received extended training. Additionally, he holds a California Residential Care Facility for the Elderly Administrator certificate.

His Fiduciary practice focuses on serving the needs of the elderly with MCI and dementia. He strives to serve middle class people with health issues who have modest estates. His practice utilizes care managers, financial planners, accountants, and other professional services as needed. The focus is to be an effective advocate for the desires and best interests of the clients – always striving to ensure that clients receive robust, appropriate medical care and financial protection.

Prior to founding his Fiduciary practice, Patrick had thirty plus years of experience as a supervisor, manager, trainer, and business owner earning an M.A. from SDSU and a B.S. from UC Davis.
